THE LOCATION

IN THE MIDDLE OF A HIGHLY-DESIRED NEIGHBORHOOD

Midtown Sacramento is the perfect fusion of multi-generational locally owned business and organic youth infused goods and services; a healthy dose of carefully selected national and regional retailers and an eclectic mix of high-end demographic occupations are embedded in a landscape of unique older buildings and mature trees. Business owners, residents and investors have flocked to the center of Sacramento's art, music, and cultural scene to cash in on the bur-

geoning and fruitful submarket. Many people consider Midtown to be the most centralized area in the City of Sacramento, with easy access to Downtown, Old Sacramento, West Sacramento and East Sacramento. Large infill housing and mixed-use development projects are scattered throughout the grid, indicating regional growth and an increased emphasis on inner-city living. Midtown has emerged as one of the hottest submarkets of Sacramento. 2115 J

Street is near the epicenter of Midtown, which has an excellent daytime population and provides numerous eateries and professional amenities within easy walking distance. The year-round Midtown Farmers Market (#1 in CA, 2025) is only a couple of blocks away. Popular nearby eateries include Tapa the World (below the available suites), Otoro, and Marilyn's Pizza, which have become popular lunch spots for employees to enjoy.

SACRAMENTO DATA BITES
