## IN THE HEART OF DOWNTOWN ON “THE KAY”

1414 K Street is situated on the thriving K Street corridor, just four blocks from Downtown Commons and Golden 1 Center, and has the best amenities immediately accessible in the entire urban core. In addition, the Property is located in

the K Street Redevelopment Zone which was implemented to create a mixed-use live/work entertainment zone along K Street. Patterned (somewhat loosely) in similar fashion to the Pearl District in Portland, the City of Sacramento saw the vacant, blighted buildings along

K Street as an opportunity to create a dynamic enter- tainment grid that would encourage residents to live in the area, retailers and restaurateurs to invest into their businesses, and form a vibrant, energized urban core that allowed for an 18 hour daily economic cycle.

## CALIFORNIA'S FASTEST-GROWING METROPOLITAN AREA

Sacramento is the Capitol of California, the fifth largest economy in the world. While perhaps not considered as prolific as many of the tourism-based cities in California such as San Francisco, Los Angeles and San Diego, being the hub of California's governmental structure provides an incredible amount of economic stability throughout the region. In addition, Sacramento is being increasingly recognized as an outdoor enthusiast's dream city with

its remarkably central location to Lake Tahoe, the Sierra's, Yosemite and the Coast. In a recent study completed by WalletHub for National Nutrition Month, Sacramento was ranked the 5th healthiest city in the United States among 100 large cities (ranking higher than the likes of Denver, Colorado Springs, San Francisco, Portland, Austin, San Antonio and Seattle). Forbes magazine ranked Sacramento as the 10th healthiest city in the United States versus

all cities. A big part of this recognition stems from the cities' proximity to the American River. Hiking trails and white-water rafting abound along the American River as well as one of Sacramento's crown jewels - the 32-mile American River Bike Trail which runs entirely along the river from Beal's State Park to Discovery Park where it conjoins with the Sacramento River to Old Sacramento on the riverfront (a stone's throw from the Subject Property).
