SURROUNDED BY AMENITIES

For the first time since its acclaimed re-development more than 20 years ago, the Elliott Building is offering multiple office suites for lease, including Suite 200 on the second floor and Suites 100 and 120 on the ground level. This is a rare opportunity to locate your business within one of Midtown Sacramento's most iconic properties—an address that blends historic architecture with modern, creative office environments.

Developed by Fulcrum Properties, the Elliott Building captures the essence of historic Sacramento with its classic brick façade, large industrial-style windows, and dramatic steel and concrete framework. Each office suite reflects this character while incorporating

high-quality improvements that support today's dynamic workplaces.

Suite 200 features polished concrete floors, glass-walled offices, contemporary lighting, and expansive windows that flood the space with natural light. Open ceilings and exposed materials create an authentic loft-style aesthetic, with flexible layouts designed for private offices, collaborative work areas, and creative meeting spaces.

Suites 100 and 120 offer distinctive ground-floor office environments with soaring ceiling heights, dramatic window lines, and a strong architectural presence. These suites provide a unique opportunity for businesses seeking high-visibility office space within a

landmark building, while maintaining a professional and design-forward setting.

Located at 1530 J Street in the heart of Midtown Sacramento, the Elliott Building offers immediate access to the area's premier dining, retail, and cultural amenities. Surrounded by Sacramento's most walkable neighborhoods and supported by nearby parking, the building delivers both convenience and prestige.
